BWYC Victorious For Second Year

Bay-Waveland Yacht Club's team brilliantly defended the Lipton Cup on their home course over Labor Day weekend in the 53rd Annual Sir Thomas Lipton Championship Regatta. For the second consecutive year BWYC emerged victorious after sailing the four race series among the best skippers of the Gulf Yachting Association Member clubs.

Bay-Waveland's strongest competitor in the Series was Southern Yacht Club of New Orleans, whose skipper Mike Sperry got them off to an early lead by winning the first race Saturday afternoon.

In Waveland, a Jamboree Fair brought together three civic organizations in a precedent-setting event. The Waveland Civic Association, the Hancock Firemen's Association and American Legion Post 77 joined forces to sponsor the fund-raising fair. The four-day festival was well-attended, successful and lucrative and was also a tribute to the tenacity of an Irishman who was determined to prove it could be done. As many out of towners on the coast for the last summer holiday attended as did local residents and everybody had a good time.

Especial commendations are in order for those few (of the almost 300 combined memberships) who shouldered the responsibility to produce.....a fair well done.

In Bay St. Louis, Bay-Waveland Yacht Club skippers captured the famed and coveted Lipton Cup for the second consecutive year, bringing to mind the beer commercial which states "we don't want to be biggest, we just want to be best". You can't get much better than the Lipton Cup trophy and the victory is particularly sweet considering that B-W skippers

were competing with sailors from the hallowed Southern Yacht Club in New Orleans, whose proficiency and polish behind the mast are known in international sailing circles,

The weekend proved one thing - there's no limit to what can be accomplished by teamwork and unity of purpose. That's how you get to be best,

When I read that this week's dialogue would be the last, I wanted to write you and let you know that I appreciate all that you are doing about this situation here in this area. I am a resident and citizen of Bay St. Louis and am also concerned about the problem with narcotics here,

From reading your articles, I feel that you care very much about not only the children who are using drugs, but also those that are growing up in the midst of a group who feels that anything is okay as long as you keep to yourself. The problem is beginning now, because they are no longer really keeping to themselves,

Ot takes a lot of guts and love to go out into the groups o drug users, and face to face ask them their opinions, and get them to talk freely with you. I take off my hat to you, and I praise you for your great concern for thess kids, and those younger ones. You are the type of woman that is hard. to find these days, the kind who cares about those of whom she knows nothing abojt, except that they have a problem. Keep up the good-

label the intersection of Hwy. 90 and Beach Blvd. a DANGEROUS intersection. I personally know four mature, responsible adults who have had similar accidents, i.e., been hit while driving across Hwy. 90 on Beach Blvd. If I know four people, how many do others know? These accidents did not occur at the intersections of Hwy, 90 and Dunbar or Main, they occurred at the Bay Bridge!

I understand that communication has been in process for two years, between concerned citizens and the office of Mr. Shag Pyron, State Highway Commissioner. Perhaps Mr. Arceneaux as an elected official should check into this situation and see what can be done rather than stating only what has been

After all, I believe that a wonderful community like ours consists of people caring about what happens to others, and doing something about it!

SCHOOL'S IN!! In June, on the last day of school, the kids come home shouting "No more lessons, no more books, no more teacher's dirty looks!" But oddly enough, in September, bored with killing time around home for three months, they welcome the opening of school and all the potential exciting experiences in store for them.

To the young student it seems as though school had been going on forever; however in Mississippi public education is a comparatively recent development. The territory became a State in 1817, and almost immediately in widely scattered and sparsely settled communities rudiments of education to the children. The earliest schools usually were operated only three months of the year and offered little more than the three R's- -reading, writing and arithmetic. teachers for all these community schools was a chancy one. There were enough men floating around the State and looking for a good berth, but it stood to reason that the more erudite of pedagogues would not seek a position as teacher of a three-month school at Pumokin Creek. For some. reason however a goodly number of well educated men and women sought to establish "academies", including one at the Bay St. Louis Hotel in 1850 under a Mrs. Wilson, During efforts were made to give the 'this early period the legislature was helping communities to open public schools by providing some of the needed funds, and by 1850 there were more than 750 public schools in the State with. some 19,000 pupils and 800

In the ten years, the average person has made his diet poorer by omitting one and a half cups of milk and four servings of fruits and vegetables each week. Now what can that little bit matter? It results in a diet that is below recommended levels of calcium, vitamin A and vitamin C. Milk is the chief source of calcium; fruits and vegetables are the chief

The family meal-planner, food shopper, cook, diet-supervisor knows you need not spend an exorbitant amount of money in order to have a well nourished family. But dietary experts are concerned that spending for food does not match either income levels or food price increases. In the ten years between surveys, per capita income increased about three times as much as food prices.

Spending for food did increase, but it lagged way behind income increases, and, apparently, too often was such as milk, fruits and vegetables. This is not only unfortunate but unnecessary,

Bay Chief Contacts Hiway Officials

As a result of the August 16 Highway 90 traffic accident in which 10-year-old Cynthia Jones was killed, Bay St. Louis Police Chief William Carbonette wrote the following letter, dated August 25, to Commissioner W. O. Dillard, Miss. Department of Public Safety:

Commissioner' "Dear Dillard:

I am writing you in regard to the traffic light at the intersection of Highway 90 and North Beach Blvd.

We have had some very serious accidents at this intersection in the past. Last week we had a ten year old' child killed at this intersection.

"There is a severe hazard there as the intersection for highway traffic is East and West; during certain times in the morning the traffic going East is blinded by the sun, and several cars have run this light, and have stated that they cannot see the light until it is too late.

"The same for the West bound traffic in the afternoons, the sun blinds the drivers, so that the light cannot be seen, much less to tell whether it is red or green.

"I think this matter could be corrected by installing a be more of a trend for the west going traffic, and a renovation of old homes now flashing light at the east apart and I am glad to see it, proach to the intersection.

Police Report

Bay St. Louis police responded to 68 calls in the period of August 29 - September 4.

A number of articles were stolen in five incidents of breaking and entering. The Main St. First Baptist Church reported the theft of \$29 in cash on Aug. 29.

A record player and a .38 Colt pistol were reported stolen from 227 Ballentine St. by Martin Smith. The report was filed Sept. 1.

An attempted breaking and entering was discovered Sunday at Kingston's Barber. Shop on Blaize Ave. although nothing was reported missing. The same day, an out-board motor was taken from 300 Hancock St.

A report of the burglary of four wheels and tires from a 1966, Chrysler killpmobile, parked at the Bay Royale Apts., was received Aug. 31.

Bay police apprehended a 14-year-old girl; listed as a run away, on Aug. 30. The juvenile was brought to the County Youth Center and turned over County Health Department, to Juvenile authorities.

> No injuries were reported accidents, occurring at Washington and Hancock streets, South Second street, Winn Dixie parking lot, State St. and North Second, Highway 90 and Main St.

Motorists are cautioned to: watch carefully for children riding bicycles and walking in the vicinity of schools, especially between 8 and 9 a.m., and 2 to 4:30 p.m.

HEALTH DEPT. NABS 13 MORE Another 13 Bay St. Louis

property owners, brought to court by City-County Health Officer Wayne Alliston on violations of health and sanitation codes, were found guilty as charged by City Police Justice Joseph Benvenutti August 30. All residents involved have failed to connect their residences to the city's sewer system despite repeated official warnings, Alliston stated. Each defendant was given 30 days to correct the condition or be subject to prosecution under the law.

Russell Alba received the largest commission check for the month of July, he sold 3 large Beach Lots, 2 homes and 3 small lots. This is Russell's 19th year representing Mollere Realty and is a great asset to the firm due to his many years experience as a Realtor in New Orleans before he and his wife? Gladys moved to 138 Oak Blvd., Waveland. He is well known as friend to all, the little folks call him Alby, they never leave him without Candy or ice cream. Russell is available anytime except during church services to satisfy you older folks with exceptional sweet investments in Real Estate. His motto is satisfaction and service even after you have moved in that dream home.

RUDE AWAKENING-Dr. John Russell, director of the Mississippi Gulf Coast Drug Abuse Center, tells Long Beach parents to wake up to the fact that there is a real drug epidemic on the Coast at the VFW Drug Awareness program in Long Beach last Thursday night: Dr. Russell, along with four other prominent Coast leaders in the area of combatting drug abuse, addressed some 200 persons and answered questions

about drug use in this area. Pictured are Earl Riley, executive director of the Coast Crime Commission; Dr. Russell, E.G. Dauenhauer, VFW post commander; Leroy Hobbs, Harrison County Sheriff; George Smith, Harrison County Deputy Sheriff; and Jim Hanley, Long Beach Assistant Chief of Police, who presided over the program. Drug Abuse Panel Answers Questions

Long Beach-Pass Christian Bureau

"If I told you there was typhoid fever on the Coast, everyone would be protecting their children," Dr. John Russell, M.D., executive director of the Mississippi Gulf Coast, Drug Abuse Center, told concerned parents in Long Beach last Thursday night: "There is a drug epidemic, and no one is doing anything,"

Dr. Russell was one of five Coast leaders active in the fight against drug abuse who comprised a drug awareness panel to answer questions from parents and young people about drugs at the Veterans of Foreign Wars Hall - Eddie Blake Post,

Panel members were Albert Necnise, District Attorney for Harrison, Hancock and Stone Counties; Earl Riley, executive director of the Coast Crime Commission; George Smith, Harrison County Deputy Sheriff; and LeRoy Hobbs, Harrison County Sheriff, Long Beach Assistant Chief of Police Jim Hanley conducted the program.

Dr. Russell told an audience of some 200 people that law enforcement is not "where it's

"You've got to prevent this before it gets to the law," he

He said that marijuana is the problem now but that he has seen more heroin on the Coast in the last two months than he has seen in the last eight years.

Users, he said, are not cetting drugs from the Mafia. They get it from their peer group," Dr. Russell said. "If they haven't heard better from you, they'll listen to their peers. We're talking about

your interest in your kids!" Dr. Russell says he treats drug addicts at the Catacombs, the drug rehabilitation center in Gulfport, as young as six

"I have a two year old who is hooked en drugs because his mother would break up sedatives in his formula," he "This young child became addicted because his mother didn't know about

"The neighbors' kids who are taking drugs are influencing your children," he said. "They're listening to their peer group instead of you. I know it's a blow to your

"We have yet to deal with a large dealer in marijuana that isn't dealing with something else, however," he said.

Marijuana cigarettes can be purchased for 50 cents to \$1, he said, although young people will normally give them to

Necaise said the narcotics problem would not be solved shment. It won't be solved, he said, until every parent realizes that this could happen to him.

Necaise was critical of the Mississippi legislature for treating drug legislation so

The enactment of the narcotics law was the most important piece of legislation that the 1972 legislature considered," he said. "They passed it on the last day." Necaise said that many

people have mistaken assumptions as to the type of person a drug user is. "It's not the little boy down the street who has to get a free lunch because his parents are deprived," he said, "It's

the kid who has his own car and an unlimited amount of spending money." Under the new narcotics laws, anyone under 26 years if charged can be sentenced to

the State penitentiary or to a State institution or can be put on probation for five years. Many questions were asked of the panel by members of the audience including the

following: Q. If a young person is under 18, will he still be prosecuted? A. He will be prosecuted by the Family Court, A young person can be dealt with by

the courts on the category of under one ounce of controlled substance. Q. What reason do young people give for having got

started? A. By association with otheryoung people dealing with drugs. When you're young and trying to find your identity,

you try to get in with a crowd. Q. To what do we owe the sudden surge of drug traffic? A. Young people have more money, and Harrison County

has lots of young people. Question from a 13-year-old boy: If someone gives me dope and I take it to the police and they say it's mine, what

A. "Bring it to Chief Hanley as fast as you can, and I'll bet he won't say it is yours," Necaise said.

Q. What is speed? A. An amphetamine used medically for young children and also used medically for obesity. After you've had a couple of refills, it really doesn't take away your appetite that much. The reason you take it is because you like

Clarence Evans, newly appointed resident engineer for the project, later told the board that he felt it would be a mistake to issue a proceed order to the contractor until Byrd had submitted a work schedule for approval. Although there have been changes made already on the project, Evans manintained that the contractor is not concerned yet with changes and that his schedule should be based on "the contract as

he sees it and as he bid on it". A proceed order should be issued only by recommendation of the engineer after approval of the schedule,

Evans further recommended to the council that city residents should be made aware of materials that will be required for eventual hook up to the system, so they can plan ahead.

City attorney Lucien Gex said the city will also have to adopt a waste water ordinance, to conform to EDA and EPA regulations governing federally-funded projects.

A letter of complaint against construction of a residence on, neighboring property was submitted by Edward Lee Tilton, who told the council that John Newkirk, 654 North Beach, was in the process of building a structure on a parcel of ground adjacent to Tilton's. The building, Tilton said, was in violation of most of the city's zoning and housing codes.

In addition, the 1,000 square foot structure on a 7,500 square foot lot precludes the installation of an adequate drainfield, which could cause waste drainage to run, onto Tilton's property, be said. The problem became compounded last Friday when Newkirk applied for and received a building permit from the city, as well as a permit from the health department, despite

proof of adverse affects, however, you get lapses of memory, your perception is poor, and you can hurt yourself getting by psychological manifestations,

O. Will this generation taking drugs tomorrow's generation? A. Physically, that hasn't been proved, but that isn't the point. We have to end drug abuse because the things that drugs do are bad now.

Q. Are tranquilizers addicting? A. It depends on the kind. Some are psychologically addicting.

Longo, to advertise for chlorination of both city water pumps as Campion said the present chlorination system is malfunctioning. In a final action, the council

unanimously passed a motion to pay tuition costs for Waveland police officers to attend an upcoming narcotics investigation school. Sponsored by the State Narcotics Bureau, the 11-week school will be held at the Gulf Park Campus of the University of Southern Mississippi. The matter was brought before the board by Patrolman Terry Holmes and was readily endorsed by the council. The motion by Longo was seconded by Alderman Albert Grass. Longo said that Waveland Marshal Fred Bourgeois, who was not at the meeting, would be authorized to send as many men as he

wanted to the school. INFANT BAPTIZED

Other changes showed a two and a half mill increase in the county general fund, raising that account from six to eight and one half mills. Two were added for a loan and warrant raise and a half mill was set to operate the county sanitary land fill.

Other increases included the Health and Sick Fund from 1.50 to 1.75 and the Chamber of Commerce Fund from .25 to

The majority of changes came in millage decreases such as the non-exempt General County Fund from 2 to one mill; Mosquito Control from: 1,55 to 1; Regional Planning Fund from .50 to .40; County Planning Comm. from .30 to .10; County School Bond which took a two-mill cut from 8 to 6 mills; and the District 5 Road and Bridge Fund which lost its one mill altogether.

The biggest single millage assessment of 25 mills in County-School-District-Funds remained the same.

HUD Forums... (Continued from Page 1-A) breakdown the matter would be taken under consideration by the council.

In other action, a resolution by Frisbie commending the Bay-Waveland Yacht Club for winning the LIPTON Championship Regatta Labor Day weekend was passed unanimously by the council.

Mayor Carver brought for discussion the possibility of the city adopting a civil service program for city employees, saying that he felt there were many benefits to be derived from the program, as well as providing retirement protection for city workers. On concurrence of the council, the matter was referred to City Attorney

Gerald Gex for investigation of necessary requirements. Objections to real property assessments were tabled until a recessed meeting Wed-

Hancock County Sheriff's Report

Two youths were arrested Sunday by Hancock sheriff's deputies on nercotics charges in separate incidents.

Edward Ray Stockstill, 21. of Pearl River, La. was apprehended Sunday afternoon on the Texas Flat Road for a switched tag and no inspection sticker on his car. An additional charge of possession marijuana / and

paraphernalia was brought when arresting officers found a half ounce of marijuana in the car. Investigating officers were deputy Lathan Garriga. special agent Ronald Peterson and beat four constable Sam Perniciaro.

About 10:30 p.m. the same night Peterson and deputy Fairley Necaise arresed a 16year-old Bay St. Louis boy as he was walking on Highway 90. The youth was listed as a run away and was additionally charged with possession of marijuana and paraphernalia.

Plan Survey

Beginning September 1, churches of all denominations along the Gulf Coast of Mississippi will be participating in an Area-Wide Religious Survey. This survey will take place in Harrison, Hancock and Stone counties. This will be the first area wide religious survey to take place since 1962,

The survey will not be taken on a door-to-door canvass but will be taken over the telephone. Those persons making the calls are members of local congregations from almost every denomination along the Gulf Coast. Only four basic questions will be asked and should take only about three minutes of a persons time to answer the information requested.

· Any church not already participating in the survey who would like to participate, may do so by writing Religious Survey, P.O. Box 534, Gulfport, Miss. 39501 or calling 832-4311 between the hours of 8:00 a.m. and 4:30

Electricity is still one of the biggest bargains in your family budget. It is a bigger bargain today than it was when we first began supplying power to this area 47 years ago. This is true despite the rising costs of almost everything it takes to

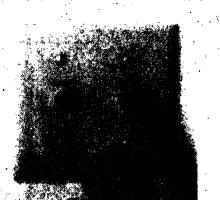

furnish you with all the dependable electric service you need.... materials, labor, environmental quality control, fuel, and interest lates for financing new construction.

electribity are at an all-time high and growing steadily tracy day:

So we must continue building to meet future power recall singuits, and this means large, new expenditures for equipment of all kinds When you consider the many ways electricity

serves your family, electric power is a very real bargain. But even bargains cost money.

lmost any day you can find a really good American, who has lost his perspective, and you have to listen to a tirade of "what's wrong with America".

This can be expected in our troubled times. We've endured all kinds of cynics for almost 200 years. But, don't let these misguided patriots mislead you with their cynical evaluation of our great country.

We've had our share of the disenchanted since 1776 . . . so don't let them talk you down . "SPEAK OUT ON AMERICA" . . . , because we all know in our hearts that our system of government and our way of life, though not perfect, is still the greatest in the world . . .

Perkins-Heitzmann Vows Solemnized

Miss Jane Ann Perkins, daughter of Mrs. Vivian E. Perkins and the late R.T. Perkins of Bay St. Louis, became the bride of Gary Edward Heitzman, son of Mr. and Mrs. Edward J. Heitzmann at 7:30 p.m., Friday, September 1, in a double ring ceremony in First Baptist Church with Rev. Perry D. Neal, pastor, and Very Rev. Gregory Johnson, pastor Our Lady of the Gulf Catholic Church, officiating.

The altar, decorated with arrangements of bronze chrysanthemums, was flanked by branched lighted candelabra.

The bride, who chose her sister, Miss Mary M. Perkins as her maid of honor, wore a street length white bonded crepe A-line dress styled with long puffed sleeves and Vneckline. She carried a bouquet of white carnations and baby's breath.

The maid of honor wore an aqua double knit dress and carried white carnations. Mr. Heitzmann attended his

son as best man. Following the ceremony a family reception was held at the bride's home on de Montluzin Avenue.

The bride's table, overlaid with a white lace cloth over blue, held a two-tiered cake encircled by fern,

Another Jong Labor Day weekend has gone by the wayside with folks enjoying all kinds of sports from fishing, skiing, crabbing, baseball, football, camping and what have you. Spent last weekend in : New Scheans" ottending a wedding, visiting

relatives, etc. The weather continued to be which much tellect fishing and other occious sports. Hard erats are plentiful now, and are being truckt most everywhere. Sill can't say much for self-crelibing.

. Hunting Cores this early in the year seems selections. but the anxious Lars (have to go regardess of conditions. We all timers know that doves don't fly when it's too list. The second and third regments of the split ceacon are always the best.

Metalst of eportsmen while in the big city. Among them were the following: Antonio Tony" Resel, with the N. O. Armature Works, Tony loves his fiching. Recently made a deep sea fishing trip to Destin, Fla., his favorite fishing spot.

Major Henry Konodowski is from Atlanta, Georgia. He and his wife, Irene and other members of his family attended the wedding of his daughter, Mary Jo to Patrick Edward Haggerty last Saturday. The Major enjoys fishing, but can't go as often as he would like to, Waiting for that visit Major. We'll show you now we get 'em down this-

Met Father Cunningham of Fort Walton Beach, Florida, He said he likes to fish and goes on every occasion. Better come and try our fishing on the Miss. Gulf Coast, Father, you will like it.

Met Mr. and Mrs. James P. McDonald of New Orleans at the reception. Mrs. McDonald in a sister of Mrs. Fred Curet of the Bay. Wonderful folks and had a ball dancing. See you later folks.

Was good to see some old friends Mr. and Mrs. Irwin Ballard. Irwin's main sport is cray-fishing. Used to go with my grandsons and him years back. In those days it was nothing to get three sacks of the mud bugs in a couple of hours. Let's make another trip Irwin, the time is ripe?

Seems like this is a New Orleans column this week. It is not, only writing up old friends who we like to meet. Like Herry D. Alexander. Henry to one retired after years in the Weik of Courts

Charlie Ven Warrien is a supervisor with Arrow and Champagne Poorts, Caleres, Charlie is an ardent Calegoran and goes mostly with his father who is still hair and hearty. Wenderful folks to know. Pops Van Vranchen, was with the Sanitation Dept. for years.

Frank and Earline Moragne have a home in Waveland where they entertain their friends. For Labor Day with Bob and Ruth Rawles together they had a group of friends over for a couple of days of real entertainment. The party was out of this world according to those who attended.

Mr. and Mrs. Dan Haggeriy had an after wedding party for their son, Patrick at their home Saturday night. Attending were Mr. and Mrs. Dec Elliott, their children, relatives and friends. Both June and Dan are wonderful hosts. Brought us home Wednesday from the big city.

shramp better Told as he has been catching some shrin lately mostly best some They are getting larger be said

Polley E. Level who brace about being a Bencame has been hoping to cake access fish. Must not be tolding your month rights Foley, others 1994, outside of a few showers are outshing them. He titles with Arthur (Art) Curies.

> Good news to Canderes: Gerald Preeman reported This is the flourders one Est week. They everagedfrom tof a pound to Circe pounds. Gerald knows his stuff when it comes to catching the flat fish.

Chester Bourgeois has been laid up with a sprained back. Cause: Throwing a cast net. Better take age into consideration, Chester. We're not what we used to be.

Dick Mestayer is moving back home after working and commuting to New Orleans. Dick, his son and a friend made a trip to Chandelier Island over Labor Day weekend on a 35-foot sail boat. They fished, floundered, etc. Haven't gotten the dope on what they caught. It was a real camp out aboard a boat.

Pete Richardson is working as a carpenter out at Diamond Head. Pete fishes when he can and is pretty good at catching them. Same old Pete, if you know what I mean.

The fish won't have to worry about Perre D. Quintini for a while. Perre is in the Army and has been sent to Korat Royal, Thai, AFB, Thailand, Perre is an ardent fly fisherman and loves to fish. If It is possible he will go fishing in that part of the world, you can bet your last dollar.

Charley Prest said the recent Empire South Pass Rodeo was the best ever. Plenty of fish were caught and those in charge of the Rodeo did a swell job. They should be congratulated.

SPORTSMAN OF THE WEEK Noah Garcia when it comes to being a sportsman is one of Noah fishes, the best. shrimps, flounders, soft crabs and hunts. Done these things all his life. Always ready to go

Was nice seeing Gene Davis one of our old time fishermen and campers. Gene doesn't go like he used to but still has fond memories of days gone

when he has time.

Over the Labor Day weekend had lots of folks from out of town with us.

Some were fishing others catching crabs, flounders, having house parties, etc. This was probably the last weekend for the summer season. Hunting will take up their time from now on.

Clark M. Hoffpauer, director of the Louisiana Wild Life and Fisheries Commission, today reminded hunters that the first segment of the Louisiana hunting season for mourning doves will open at noon September 2 and extend until sunset September 17, with afternoon shooting only.

He said that the second and longest segment of the dove season will open at noon October 14 and last through sunset November 19. The third segment of the season will open at noon December 23 and extend through January 8. Hoffpauer said that this

adds up to 70 afternoons of dove hunting, with a daily bag limit of 12, and a possession limit of 24 after the first day of each segment,

The gallinule season will also open September 2 and

DISTRICT WINNERS - Pictured above are members of the Artigues and Thames slow pitch softball team which recently won the District I Title and placed fourth in the State Tournament in Jackson. This team completed the year with a 66 - 14 record. In front are batboys Favre, Strong, and Cox. extend until sunset November 10. The daily bag limit on gallinules is 15, with a possession limit of 30.

He said that enforcement would be strict during the dove and gallinule seasons and stressed that dove hunting hours are from 12 noon until

Baiting during the dove season is strictly prohibited, and that shooting over baited fields was both a federal and state offense.

Squirrel hunters can take to the woods of Hancock and Harrison counties on October 28 and hunt the bushy tails through January 28 as well as

Frogs may be taken by residents of the State of Mississippi who have in their possession a combination hunting and fishing licensethroughout the year. The BAG LIMITS shall be Twenty-five (25) per day, Fifty (50) in

Now is the best time to go frog hunting. Our lakes and ponds are full of them. Catching frogs is a great sport and eating frog legs is out of this world. A head light with hand grabber is the best way of catching them. Old timers catch them by hand.

At the eight grade level Coast Episcopal High School students held to the same stanine of seven, or above average achievement. Mississippi eight graders remained at a four, still below the national average of 50 percent.

The consistantly high scholastic achievement of Christ Episcopal students may be in part attributable to factors; departmentalization from fourth grade up, and a widely diverse liberal arts curriculum, which includes six foreign languages, seven applied sciences and five separate mathematics courses from general math to calculus.

In addition, although 100 percent of CE graduates have gone on to college, a complete business course is offered at the high school which includes business law along with the usual commercial courses,
